PENNYBYRN at MARYFIELD ANNOUNCES GOLF PARTNERSHIP WITH THE JAMESTOWN PARK GOLF COURSE.

HIGH POINT, NC - June 30, 2011 - Rich Newman, Community Leader at [Pennybyrn at Maryfield](#), announced today a new and exciting partnership with the [Jamestown Park Golf Course](#). Pennybyrn will offer golf memberships to its residents for play at the Jamestown course which will be the home course to Pennybyrn golfing residents. This new [amenity](#) for Pennybyrn residents will offer them membership cards which may be used for golf, the driving range, the pro shop, or the Beyond the Box Grill. Pennybyrn will pay for resident's greens fee; other items will appear on their monthly bill. "This new partnership will be beneficial to both the golf course and Pennybyrn, offering residents of Pennybyrn a membership to a fine golf course only 5 minutes from our front door. It will also offer the Jamestown course additional play from our residents and their guests," said Newman. The announcement was made today at a special outing held at the Jamestown course for Pennybyrn residents, Board members, Ambassador Council members and special guests.

Mike Hutcheon, Director of Golf and Instruction at Jamestown Park Golf Course stated, "We are proud that our partnership with Pennybyrn will provide its residents an opportunity to experience our tranquil scenic surroundings while enjoying the added benefits of leisure activity and fellowship. We look forward to hosting residents and their guests alike as they take pleasure nourishing their mind and body through golf."

Pennybyrn staff and Jamestown golf staff will also collaborate on golf workshops for Pennybyrn golfers both at the course and on Pennybyrn's campus. Golf exercise classes will also take place at Pennybyrn to help get residents who have not played in a while, back into golfing form.

Other golfing news is the announcement that thanks to a number of generous residents, Pennybyrn will soon be building a putting and chipping green on campus to help residents hone their skills around the green. The combination of the golf partnership with Jamestown Park Golf Course and the addition of the putting and chipping green at Pennybyrn will offer current and future residents an exciting new array of outdoor enjoyment.
